

SUMMARY OF CHANGES

I. AIRSIDE

- a. Realignment and extension of future Taxiway Bravo to meet runway separation standards per AC 150/5300 13-B.
- b. Removal of Runway 9-27.
- c. Removal of existing Taxiway Bravo.
- d. Addition of GA development areas.
- e. Addition of MRO/Industrial/Commercial areas.
- f. Addition of new Taxiway Alpha 1 from Taxiway Alpha to Wysong Enterprises.
- g. Realignment of wind cone and segmented circle.
- h. 201 ft. future extension of Runway 5L-23R.
- i. Addition of Taxiway Juliet perpendicular to future Runway 23R end.
- j. Addition and extension of airport service road.
- k. Addition of Taxiway Delta 11 parallel to Runway 27 end.
- l. Addition of 6,824 ft. parallel Runway 5R-23L and associated taxiway infrastructure.
- m. Expansion of Air Cargo Logistics Center.
- n. Addition of parallel Taxiway Charlie to Runways 5L-23R and 5R-23L.
- o. Updated all pavement per Taxiway Design Standards, AC 150/5300-13B.
- p. Addition of Taxiway Hotel perpendicular to Runway 23L end.
- q. Addition of future Glide Slope Critical Area.
- r. Addition of Taxiway Alpha 2 from Taxiway Alpha to Taxiway Bravo.
- s. Extension of apron pavement to Taxiway Alpha.
- t. Expansion of apron pavement to accommodate terminal expansion.

II. LANDSIDE

- u. Future property acquisition (to include TOFA).
- v. Realignment of Muddy Creek Road.
- w. Realignment of perimeter fence outside new GA Development.
- x. Addition of Non-Aeronautical area for development.
- y. New ARFF facility (Index B).
- z. Addition of fuel storage, 10 additional tanks (18,000 gallons ea.).
