

Airport Maintenance – Turbine Debris Blower RFB

The Tri-Cities Airport Authority (TCAA) (Owner) is soliciting bids from qualified dealers to supply one (1) Turbine Debris Blower for the Airport Maintenance department. Bids will be received until 2:00 PM, Local Eastern Time, on May 15, 2026, at the Tri-Cities Airport, Blountville, TN in the Main Terminal Building Board Room 301.

Copies of this Request for Bids (RFB) will be available on the Airport’s website at <https://flytri.com/business/about-tcaa/construction-development/>.

The Owner reserves the right to reject any and/or all bids, to waive any/all informalities and technicalities in the bids received, to the extent permitted by applicable law, and to accept any bids which, in its sole discretion, is in the best interest of the Owner, if permitted by applicable law. All bids must comply with applicable local, state, and federal laws.

Bids are required to remain open for acceptance or rejection for a period of ninety (90) days after bid opening. The Owner will notify the successful bidder with a written, Notice of Award, no later than thirty (30) days after TDOT State Grant approval. If the Owner and apparent successful bidder cannot determine a date to furnish the required equipment, within ten (10) days after the Notice of Award is issued and has been received, the Owner may annul the bid.

Bidding Instructions

Bids must be submitted by email to Ethan Ingram, Assistant Supervisor of Maintenance, at ingram@flytri.com with a subject heading of “Airport Maintenance – Turbine Debris Blower RFB”, or by mail to the address listed below with the vendor name and project title on the exterior of the envelope.
